

HOOOF PRINTS

2018 ANNUAL IMPACT REPORT

January 2017-December 2017

“Marley’s Mission is where hope comes alive for children and their families who have experienced trauma.” We measure the success of our mission through four guiding principles.

Strengthening Our Services | Assessing and deepening existing direct support systems and services to ensure they are effective and state-of-the-art.

Therapy & Treatment in 2017

Grief | Post Traumatic Stress Disorder | Military Deployment
| Depression | Sexual Trauma | Abuse | Domestic Violence |
Physical Abuse | Bullying | Incarceration

Embracing Community Engagement | Actively engaging the community in programs, activities and events to cultivate support and build organizational capacity.

Throughout the year, Marley’s Mission provides programs and activities that raise awareness on issues of mental health and abuse, as well as addressing some of the most pressing needs of our community.

Throughout the year, we **average**

1-2 events per month to fill this need. Highlights in 2017 include: **VaxServe and Sanofi Pasteur “One Million Reasons Lackawanna County Community Fundraiser”**, **“Downtown Hoedown for Hope** at Backyard Ale House and **The Settlers Inn Live & Silent Auction**.

In 2016, we hosted our fifth annual **5-day** summer camp: **Officer John Wilding Memorial Hands & Hooves Summer Camp**. In addition to daily individual and group therapy sessions, clients had fun making dream catchers, participating in yoga, experiencing a K9 demonstration hosted by the Scranton Police Department, instruction in martial arts, woodworking and American Sign Language (ASL).

Developing Partnerships | Working with organizations and agencies such as the Children’s Advocacy Center of NEPA, the Scranton Counseling Center and local school districts to identify and meet the needs of children and families who have experienced trauma.

Measuring Results | Marley’s Mission prides itself on building success in the lives of our clients. To that end, we have developed robust, objective ways to measure the milestones achieved by children treated at the Mission, ensuring that each child is defined by their own potential rather than being defined by the trauma they have experienced.

GuideStar Platinum Seal of Transparency

Marley's Mission is proud to announce it continues to achieve GuideStar's Platinum designation for its commitment to transparency and progress!
